## **HB 2437 – SB 2476**

January 19, 2006

**SUMMARY OF BILL:** Creates a new circuit court judgeship in the 22<sup>nd</sup> Judicial District (Giles, Lawrence, Maury and Wayne counties) effective September 1, 2006, to be elected during the August, 2006 general election for an eight-year term. The bill does not authorize additional assistant district attorney or assistant public defender positions.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - \$273,000 Recurring  
\$23,000 One-Time**

Assumptions:

- Recurring expenditures include the salaries, benefits and operational expenses for a circuit court judge, court reporter (required for criminal cases) and secretarial staff. One-time expenditures include the computer equipment, books, etc. for the judge and secretarial staff.
- The creation of this court will not result in any additional assistant district attorney (ADA) or assistant public defender (APD) positions. The 22<sup>nd</sup> District currently has eight ADAs and six APDs. Even with the creation of this court, the eight ADA positions will exceed the statutory minimum per court provided in Tenn. Code Ann. § 16-2-508. There is no statutory minimum per court for APDs. Additional ADA or APD positions cannot be created or funded absent statutory authorization.
